

Vacancies Announcement

18th May 2015

The Ministry of Electricity, Dams, Irrigation and Water Resources (MEDIWR) of the Republic of South Sudan (RSS) invites eligible applicants to fill its water sector vacant posts, including positions of D.D. (grade 4), Asst. D. (5), Specialist (6), Senior Inspector (7), inspector (8), Asst. Inspector (9); & technicians (10, 11 & 13). Successful candidates will be carrying out functions related to the following activities, duties & specialisations:

- 1. Planning:** Including coordination of urban water programs, facilitation of donor support and private sector involvement, budget preparation, documentation and reporting, monitoring and evaluation;
- 2. Hydrology and Surveys:** Including water resources mapping; topographic maps; collection and analysis of water data; and information management systems;
- 3. Water Resources Management:** Including regulatory and protection aspects of fresh waters; and coordination of trans-boundary watercourses related programs and activities;
- 4. Water Control and Conveyance Infrastructure:** For flood control; water harvesting/storage; drainage; and irrigation purposes;
- 5. Hygiene promotion; improved sanitation; and safe water supply for drinking and other related domestic uses:** Including groundwater exploration; drilling, development, construction, operation and maintenance of boreholes; and other rural water supply facilities and sources, e.g. establishment of small-scale water purification, supply and distribution systems; and
- 6. WASH Training Courses and Research at Amadi:** Including teaching of subjects and carrying out of investigations related to sanitation, hygiene and health; groundwater exploration; water quality analysis; safe water supply development, operation and maintenance; wastewater treatment; water resources mapping and monitoring; ICT systems; and water control, storage and delivery structures/equipment.

On the other hand, in support of decentralization and to ensure MEDIWR effective fulfilment of its water sector national mandate, vision and mission countrywide, it is noteworthy that through the Government of the Republic Budget, MEDIWR provided separate allocations for salaries, operating costs and capital funds for State Directorates and County Departments of Water and Sanitation. These directorates & departments are for carrying out Water, Sanitation and Hygiene (WASH) technical functions under states' line ministries responsible for Water/WASH sector; and County Administrations (Local Governments).

Hence, on behalf of the states and counties, also MEDIWR invites eligible applicants to fill vacant posts in the states and counties: In the field of hygiene & sanitation; groundwater exploration; water quality; drilling, development, construction, operation and maintenance of boreholes and other safe water supply facilities, sources and systems; and water control, storage and delivery structures/equipment.

Indeed, a State Directorate of Water & Sanitation comprised of Departments of Rural Water Supply & Sanitation, Urban Water Supply & Sanitation and Water Resources Management & Irrigation, headed by D.Ds; while a County Water and Sanitation Department must be headed by a WASH specialist/practitioner at the level of Asst. Director, to act as Asst. Commissioner for Water and Sanitation. He/she should be assisted by three inspectors for WASH and an Information Communication Technology (ICT) Professional.

Candidates must submit to the addresses below within two (2) weeks from the date of this advertisement, **applications** indicating the **positions, administrative units, functions and locations** they are applying for. **CVs and copies of the educational & professional qualifications; work experiences; South Sudan Nationality Certificate; and birth certificate or assessment of age** must be attached:

- 1. Office of Human Resource Management;** at the Water Sector HQs, Plot No. 11, Block No. A12, Hai el-Cinema, Juba; and the Undersecretary's e-mail or
- 2. The Directorates of Water and Sanitation at the States' line Ministries responsible for WASH/Water Sector,** in Aweil, Bentiu, Bor, Juba, Kuajok, Malakal, Rumbek, Torit, Wau and Yambio.
