

New and Emerging Talent Initiative

The New and Emerging Talent Initiative (NETI) is an entry point for professionals interested in an international career with UNICEF. As part of UNICEF's global talent management strategy the NETI Programme focuses on attracting, selecting, developing and retaining new talent. The aim is to recruit candidates at the entry to mid-career levels who will grow and develop in the organization. NETI participants work actively in multicultural environments within the development and humanitarian arenas, while contributing to delivering results for children.

The NETI Programme is currently recruiting suitable candidates for the **Quality Assurance Specialist (Finance/Administration)** position at the P-3 level in **Ethiopia, Addis Ababa**. We invite candidates with 5 years of relevant professional work experience in finance and accounting with an advanced degree (Accounting, Finance, Business Administration, or directly related degree) and fluency in English and a second official UN language (Arabic, Chinese, French, Russian or Spanish) to apply.

For full programme details and information on how to apply, please visit the NETI website at:

www.unicef.org/neti

Applications will **only** be accepted online through UNICEF's e-Recruitment system, until **11:59pm EST, September 23, 2015**.
